Vinco Automation is a MiR Certified System Integrator

MiR | CSI

Want to optimize your productivity, internal workflows and increase your competitiveness?

Bring your internal logistics up to speed with autonomous mobile robots that automate repetitive and injury-prone material transportation and work safely alongside your employees to boost productivity.

MiR's collaborative mobile robots are simple to integrate and easy to program, with no need for expensive and disruptive reconfiguration of your infrastructure. You'll see an immediate impact on your ability to process orders faster and reduce material handling costs to get fast ROI on your mobile robots—often, in less than 12 months.
